

Our No Cell Phone Policy

Creative separation is an important ingredient of growth.

Important lessons of independence and self-reliance, beyond the home situation, can be interrupted by cell phones. The availability of cell phones interfere with learning.

Cards and letters respect that separation, and they give the distance needed for campers to absorb communication from home without disrupting the environment of growth we create at camp.

We ask that telephone communication to or from home be relegated by our administrative staff (in the event of an emergency).

Always feel free to call the director at any time with any questions or concerns.

Thank you for your understanding and help.
